Service Provider and Placement Provider Network

CORNERSTONES OF CARE is currently looking for qualified individuals to become a part of our Service Provider and Placement Provider Network. Providers are needed to work with children & families who are involved with the Missouri Child Welfare System. They should have an understanding of and experience providing services to a child welfare population. Providers who embrace/support the following are encouraged to join our network:

- Permanent homes for all children
- Safety in all placement settings for children
- Value & right to family for all children
- Respectful to children/families & their life situation
- Flexibility to provide services when/where works best for families
- Emphasis on outcome-based service delivery
- Ability to participate in & support the Family Support Team process
- Technologically able to receive referrals & submit billing/progress notes through an automated web-based system

We are looking to establish a skilled and diverse Service Provider Network that can provide services including, but not limited to:

- Parenting education classes
- Mentoring services
- Sexual abuse counseling
- Psychological evaluations and testing
- Anger management services
- Individual, group, and family counseling – both in home and in office
- Day treatment for children
- Parent aide services
- Substance abuse services
- Parenting assessments

We are also looking to establish a skilled and diverse Placement Provider Network that can provide placements including, but not limited to:

- Professional foster homes
- Behavioral foster homes
- Career foster homes
- Emergency foster homes
- Medical foster homes

- Respite foster homes
- Residential treatment facilities

Thank you for your interest in becoming a part of the Cornerstones of Care Service Provider Network and supporting our commitment to serving children & families.
