FOR IMMEDIATE RELEASE

LOCAL CHILDREN AND FAMILIES WILL BENEFIT FROM CHIEFS CHARITY GAME ON AUGUST 10.

Kansas City, MO – August 2, 2019 – Cornerstones of Care, a behavioral health nonprofit serving more than 11,000 children and families a year, is the 2019 Chiefs Charity Game beneficiary. Proceeds from the first preseason home game will support the organization’s mission to partner for safe and healthy communities.

Recognized as the top philanthropic game of its type in the NFL, the Chiefs Charity Game continues a long-standing commitment of supporting the local community that was started by team founder Lamar Hunt more than three decades ago. The Kansas City Chiefs and Cornerstones of Care partnership is reinforcing a dedication to improving the safety and health of children and families across Chiefs Kingdom.

“Collaborating with the Kansas City Chiefs is a unique opportunity to create awareness of our community’s needs and the supports available. It’s partnerships like these that transform the lives and futures of thousands of children in Kansas City and beyond,” says Denise Cross, Cornerstones of Care President and CEO.

[North American Savings Bank](#) is returning as the 2019 Chiefs Charity Game presenting sponsor.

“Cornerstones of Care and NASB both share a passion for improving children’s lives and in ensuring that the children and families in our communities have access to the services they need. We believe every child deserves a safe and healthy community, and we’re proud to continue our support of the hard work Cornerstones is doing to make that belief become a reality,” said Paul Thomas, North American Savings Bank CEO.

There is still time to contribute to the grand total raised for children and families. Visit chiefscharitygame.com to:
