

Partnering for *safe* and *healthy* communities.

## Day Treatment Team Rises to the Challenge

The phrase “back-to-school” looks very different this year.

Worldwide educators are rising to the challenge to provide a safe and effective learning environment. While it’s not easy navigating what that looks like, our [educational day treatment](#) team is committed to using a [trauma-informed](#) approach and quickly adapted to virtual teaching. They are going above and beyond to meet the needs of students, while providing wrap around services for their families.

They did not waste any time diving into ALL of the new learning that was required from multiple new technology platforms and an increased level of documentation. They have accomplished this feat with positivity and our students’ needs at the forefront of their minds.

## Win Tickets to Thursday's Chiefs Home Opener

Kansas City is ready for some football, so you know Thursday's game will be an epic showdown, and you could be there to watch it unfold! We are auctioning off two sets of four of lower-level tickets to next week's home opener against the Houston Texans. That's right! You could be there to watch your reigning champs welcome the Houston Texans back to legendary Arrowhead Stadium.

Auction ends Wednesday, September 9, at 10 am. Tickets will be emailed to winners Wednesday afternoon.

## People Are Counting On You!

Every 10 years, everyone living in the United States is counted—just once and in the right

## COMPLETE THE 2020 CENSUS BY SEPTEMBER 30!

place.

Counting where people say they lived on April 1, 2020, helps ensure more than \$675 billion in federal funds are directed each year to the right areas to support local education, school lunches, health care, public safety, infrastructure and more.

**Data collection for the 2020 Census ends Wednesday, September 30, 2020**, one month sooner than originally announced.
