KANSAS CITY CHIEFS VS HOUSTON TEXANS

Recognized as the top philanthropic game of its type in the NFL, the Chiefs Charity Game continues a long-standing commitment of supporting the local community that was started by team founder Lamar Hunt more than three decades ago.

In partnering with Cornerstones of Care, the Chiefs are reinforcing their dedication to uplifting children and families in crisis throughout the metro area by supporting safe healing environments that respect dignity and inclusion so children and families can experience more fulfilling and rewarding lives. Additionally, collaborations such as these strengthen the organization's dedication to uniting the community by engaging its neighbors through charitable programming while putting an intense concentration on positively impacting youth.
