# MISSOURI MEDICAID *We did it!* EXPANSION PASSED

## Medicaid Expansion Passes In Missouri

Missouri voters approved Medicaid expansion on August 4! A special thank you to everyone who supported this critical initiative. Your vote will improve thousands of lives.

The expansion of Medicaid will go into effect in July 2021. Before that, Missouri must submit a plan to the federal government by March 2021. Many organizations, like Cornerstones of Care, will monitor the plan's development. When necessary, we will advocate to ensure the expansion is implemented as voters intended.

While there's still some work ahead, you have helped make significant progress for children and families, including over 40,000 African-Americans and 14,000 Hispanic/Latinx citizens. Thank you!

### Moore Family Story

When our IIS Specialist, Amanda, began working with the Moore family, they had a long path ahead of them towards creating a safe home for their children. But with hard work and a shift in mindset, the Moore family was able to keep their family together and build healthier habits.
