

# INTENSIVE IN-HOME AND FAMILY REUNIFICATION SERVICES

## *Keeping children safe at home.*

**Intensive in-home services** is a **4-6 week** crisis intervention program for families whose children are at **immediate risk (within 72 hours)** of being **separated** due to mental illness, emotional disturbances, substance abuse, juvenile delinquency, family violence, abuse, or neglect.

Our team spends **8-10 hours per week** minimum with the family **in the home** to help families improve functioning and safety so they may remain together.

## *Bringing children safely home.*

**Intensive family reunification services** is an **8-12 week** program for families whose child has been removed from the home due to safety concerns.

Our team attends Family Support Team meetings and spends a **minimum of 8-10 hours per week** with the family to build on family strengths, address areas of concern, create transition plans, and support the family during the child's safe transition home.

## **FAMILIES IN BOTH PROGRAMS RECEIVE:**

- Strengths-based, family-focused teams certified in trauma-informed care who are available 24/7.
- Individually customized interventions.
- Help to improve problem-solving, parenting, budgeting, household/school management, communication, coping, and other skills.
- Connections to community resources.

## **ELIGIBILITY REQUIREMENTS:**

- Families have been referred by a Missouri Children's Division office.
- Families live in the 48 counties we serve.

## **Additional Intensive Family Reunification Services (IFRS) Requirements:**

- The safety concerns that brought the child into care have been resolved.
- The child has had regular contact with the family and is willing to participate.
- Family Court agrees the child may return home with IFRS.

*Prevention is about teaching parents new & effective skills so they have what they need when life gets tough & frustrations arise in our lives.*

*We are certified in the  
Sanctuary Model® of  
trauma-informed care.*
